“This event was not just about education and networking, but building relationships.”

It was great for students like myself to be around industry professionals. The select atmosphere and ample time, allowed plenty of opportunity for networking and one on one consultation with everyone. The program was one of a kind and I cannot wait to attend again next year!

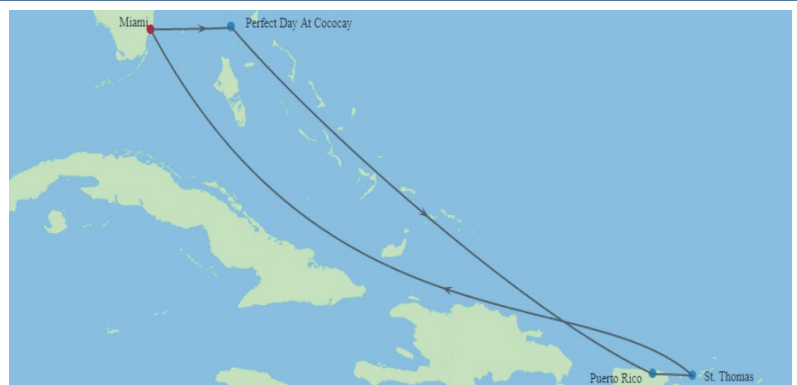

Flying into Miami. The cruise line suggests that you schedule a flight that arrives into the Miami airport by noon and that your departure flight home be scheduled after 1:00PM.

Cruise Cancellation Policy: There is a sliding scale cancellation policy which typically provides a full refund if cancellation occurs before 90 days of sailing.
